

Climate Video & Discussion Night

Sunday, October 15, 2017, 6:30-8:00pm

Love Thy Nature

“Love Thy Nature is an urgent but stunningly beautiful meditation on our connections to the natural world ... everyone should see this profound, timely, and extraordinary film.”

“The film shows that a renewed connection with nature is key both to our health and the health of our planet.”

Join us for this 70-minute film followed by discussion.
