

CLIMATE DESTABILIZATION: OUR LONG EMERGENCY

Sunday, July 14, 2019, 6:30-8:30pm

ICE ON FIRE: HBO documentary

This documentary explores the many ways people around the world are feeling the effects of climate change, while examining the urgent need to reduce carbon emissions. Through interviews with visionaries and scientists, the film captures the existential environmental crisis, while offering hope that the climate crisis can be mitigated, and global warming reversed.

Produced and narrated by Leonardo DiCaprio.
