

CLIMATE DESTABILIZATION: OUR LONG EMERGENCY
Sunday, November 24, 2019, 6:30-8:00pm
**GRATITUDE: The Short Film by Louie Schwartzberg &
THE QUEEN OF TREES: The Amazing Sycamore Fig Tree in Africa**

GRATITUDE: The Short Film by Louie Schwartzberg will open your heart to see beauty all around you, especially in other people.
This 6-minute film inspires you to be grateful for each day.

The Queen of Trees presents one of the most amazing stories in the natural world! The Sycamore Fig tree and the fig wasp have an extraordinary relationship, an intricate web of dependency, such that neither could exist without the other! It's a tale of intrigue and drama, set against grand Africa and its wildlife.

Join us for an hour of uplifting films, followed by discussion.
