

Climate Video & Discussion Night  
Sunday, January 14, 2018, 6:30-8:30pm

**WE THE PEOPLE 2.0**

*Stories about people successfully protecting their communities from fossil fuel companies!*

This excellent film is a visual essay about the loss of democracy in the United States, and how people are taking it back.

American citizens have been marginalized, forgotten and left to fend for themselves against large corporations who for decades have engaged in toxic dumping, mining, drilling, and now fracking in their communities.

***Join us for an uplifting and inspiring 1 hour, 20 minute film,***

***followed by discussion. ~ Free! Open to all! ~***

**Sunday, January 14, 2018, 6:30-8:30pm**

Oasis Café in Carr Mill Mall  
200 N. Greensboro St, first floor  
Carrboro, NC
