

# Our Climate Emergency

Climate video & discussion night

## **2016 was the hottest year in recorded history!**

We can no longer deny the reality that climate change is happening.  
The 6<sup>th</sup> Mass Extinction is already under way.

Solutions are available.

Our climate crisis can be solved if we act strongly enough and soon enough.

Citizens are rising up and saying it's time!

Join in the discussion, share your ideas and find the best solutions.

***“We are the first generation to feel the effects of climate change.  
And we are the last generation who can do anything about it”.***
