

# Climate Video & Discussion Night

Sunday, April 30, 2017, 6:30pm

## What If We Change - Hope in a Changing Climate

This inspiring short film by John D. Liu looks at how reforestation and sustainable farming practices can protect and enhance dry lands all over the world to lock carbon up in the soil, slow down climate change, build fertility and alleviate poverty.

Join In!

Join us for a great discussion.

Bring your comments, questions and concerns.

**Sunday, April 30, 2017, 6:30-8:00pm**

Oasis Café in Carr Mill Mall  
200 N. Greensboro St, first floor  
Carrboro, NC  
Free
