

Climate Video & Discussion Night

Sunday, June 11, 2017, 6:30-8:00pm

The Story of Climate Change 2017

with Bill McKibben, James Hansen, Katherine Hayhoe & friends

This 12-minute clip by 350.org founder Bill McKibben, on the state of our climate, followed by an 8 min clip of solutions, offers a succinct, candid overview of where we stand on climate change.

Join us for an important discussion on what we do now that Trump has pulled the US out of the Paris Agreement. Bring your comments, questions and concerns.
