

CLIMATE DESTABILIZATION: OUR LONG SLOW EMERGENCY

Sunday, May 13, 2018, 6:30-8:30pm

FRACKING: WHY ARE SO MANY PEOPLE UP IN ARMS ABOUT IT?

Why are people around the world up in arms about fracking and trying to ban it?

What distinguishes fracking from conventional oil wells?

What environmental impacts does fracking have?

Why are companies setting up thousands of fracking wells across the country?

Find out the answers to these questions and many more.

Find out why fracking is one of the biggest threats to our climate.

Join us for a 90-min documentary on fracking, Gasland II. Followed by discussion.
