LIVING THE CHANGE: Inspiring Stories for a Sustainable Future

LIVING THE CHANGE explores solutions to the global crises we face today.

"You've probably had those moments of despair where you think it's just hopeless and the world is always going to be this way and anything we do is not enough, but there's also – and I would say that this is maybe more of a heart knowing – that understands that a more beautiful world is possible."

– Charles Eisenstein in ***Living the Change***
