

CLIMATE DESTABILIZATION: OUR LONG EMERGENCY

Sunday, December 9, 2018, 6:30-8:30pm

HUMANITY Ascending

with visionary Barbara Marx Hubbard

HUMANITY Ascending is breathtaking in its scope,
startling in its clarity and gloriously hopeful.
Starting with the Big Bang,
visionary Barbara Marx Hubbard presents an
overview of **Life evolving** toward greater consciousness and possibility.

Luminous graphics and photography, along with Hubbard's masterful narration,
makes for an inspiring and transformational experience.

"It may be that this intelligent species, which has finally gained an understanding
of the atom, the gene and the brain, is now getting a signal:
evolve or die." *Barbara Marx Hubbard*
