

CLIMATE DESTABILIZATION: OUR LONG EMERGENCY

Sunday, June 28, 6:30-8:30pm

THE STATE OF THE SPECIES: EARTH DAY 2020 PRESENTATION

With Nate Hagens, Ph.D.

Science is increasingly converging on a different story than we hear in the news or watch on TV. This story involves, energy – but also anthropology, human behavior, economics and the environment.

In this presentation Professor Hagens gives us an overview of our current predicament including the multiple crises we face and how they interact.

A variety of solutions are also presented.

Join us on Zoom for an enlightening one-hour film, followed by discussion.

Free!
